WANTS TO HEAR YOUR STORY

Racial/ethnic minorities in the U.S. disproportionately serve as reminders of the structural and systemic inequities and racism at the center of much of the current issues in our society. The Echoing Change program is designed to demonstrate allies* in the struggle to address these issues.

Become an ally by submitting your story. Please answer the following questions:
1. What affects you most about the current state of the United States?
2. What do you want to see happen or what do you think we should do next?
3. What gives you hope?

If your video is chosen, we will include it on our Echoing Change web page and include it in our Echoing Change production.

Send your video recorded responses to the three questions above to https://forms.gle/edixUXtxm5FD3qLdA or scan the QR code!
Each response should be a maximum of 1 minute. Please use your phone in the horizontal orientation rather than the vertical orientation.
