The Social Medicine Work Group and the Emory University Urban Health Initiative invite you to

**The 6th Annual
Social Medicine Forum**

Thursday, March 30, 2017
5:00---7:00pm

Emory Faculty Office Building Room 101
49 Jessie Hill Jr. Drive

This forum is the culminating activity for Emory's social medicine course that encourages future clinicians to consider multiple complex determinants and factors that impact health and healthcare "beyond the office visit". Please join us for a poster presentation, keynote speaker, and great dialogue over light refreshments.

RSVP to Laquanda Jackson ljack08@emory.edu
